SCRIP Program

Since inception, the fund raising benefits of selling SCRIP have been well below our expectations. Now, the diocese has set forth very stringent guidelines and requirements for the SCRIP program at all parishes within the Fort Wayne-South Bend diocese. These controls make it extremely difficult (if not impossible) to continue this program at St. Casimir's and St. Adalbert's. Considering these two factors, beginning July 1, SCRIP will no longer be available at either parish.

If anyone has thoughts on other fund raising ideas, please feel free to share those with us. In the interim, your help in purchasing the remaining SCRIP certificates would be very much appreciated. We must sell what we have left in order to completely close out this program.

On Saturday, June 19, the band Viagra Falls will play a benefit concert for Eric's Promise

This event will be held at Simeri's Old Town Tap from 8:00 pm to Midnight. There will be a \$10 per person cover charge with proceeds donated to the St. Vincent de Paul Society of St. Joseph County.

School Building

Unfortunately, due to several instances when unwanted visitors have entered the school building we can no longer leave the school building unlocked during the weekend Masses. Should anyone need to use the restroom facilities, we ask that you please see any usher who will provide you with access to the building. We sincerely apologize for this inconvenience, but it is a necessary step that must be taken.
